WEAPON BROUGHT TO SCHOOL

Dear Parents,

This letter is to inform you that one of our students brought two knives to school on Friday, September 13, 2024. Our school is committed to the safety and education of all our students. We also want to clearly communicate with parents about safety issues when they arise.

The principal's received this information approximately, 2:30 p.m., Friday, September 13. The student was immediately questioned and the weapons were confiscated. One of the knives was used to threaten a student.

The local law enforcement was notified. This was a violation of law; criminal charges have been filed in addition to school imposed disciplinary measures. The student involved will be subject to school board policy and appropriate laws that govern weapons on school grounds.

Please discuss this incident with your children and emphasize that it is against the law to bring weapons of any type to school. Also, the importance of letting a school official know immediately if there is a weapon at school. In this way, we are all working together to keep our school safe.

Please feel free to call me at (928) 654-3331 if you have any questions or concerns.

Sincerely,

Lucinda Godinez
